

Adopt a Family Christmas Program

We are starting our *Adopt a Family Christmas Program* early this year in the hopes of helping **100 families** this year!

We are looking for businesses, congregations, groups and individuals to adopt a family by fulfilling their wish list with items that could include clothing, shoes, gift cards, and toys.

Please reach out to Victoria Osborn by email at **vosborn@familypromiseswnj.org** if you want to adopt a family. You will be sent a family's wish list along with a drop off time for the gifts.

Thank you and best wishes for a blessed holiday season!

Please go to our website for information on all our programs that support families experiencing homelessness.
